ALEXANDRIA, VA., SATURDAY EVENING, SEPTEMBER 7, 1907.

PRICE 2 CENTS.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from ill health. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherry bark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. R. Bartholow, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin N. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensatory; Prof. J. M. Scudder, M. D., Author of Specific Medicines; Prof. Lawrence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. Finley Ellingwood, M. D., Author of Materia Medica and Prof. in Burnett Medical College, Chicago. Send name and address on Postal Card to Dr. R. C. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of all the above medical authorities and many others endorsing in the strongest possible terms each and every ingredient of which "Golden Medical Discovery" is composed.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. They're tiny and sugar-coated.

MRS. CARTER ACQUITTED.

Mrs. Laura M. Carter, who has been on trial in New York for a week on a charge of receiving stolen money, was acquitted by a jury late yesterday. She was accused of having received from Chester B. Runyan, the defaulting teller of the Windsor Trust Company, \$5,000 of the \$82,000 he stole from the bank.

One of the jurors said after the verdict had been returned that the jurors agreed that the testimony of Runyan, who was the principal witness against Mrs. Carter, he entirely ignored on the grounds that Runyan was a self confessed thief.

Runyan testified that he first met Mrs. Carter in the streets and that he arranged with her to conceal him. This was before his sensational departure from the bank with \$82,000 in bills concealed in his suit case. He testified that he told her he was short in his accounts.

After taking all the money in his custody, he testified, he went to live in a flat with Mrs. Carter in Harlem. He said he gave her \$5,000 at once and that a day or two later she demanded \$10,000 more, saying that if she did not get it she would betray him. This sum, he said, he also gave her.

Mrs. Carter admitted getting \$5,000, but said that as soon as she knew it had been stolen she returned it to him and then betrayed him to the police. She denied absolutely that she demanded or received the additional \$10,000, as Runyan testified.

Immediately after the verdict Mrs. Carter was released from custody. She said she had not decided whether she would demand the reward offered for Runyan's capture, which amounted to \$7,400.

Mrs. Carter, who had cried most of the day while the lawyers were summing up, was worn out when the jury returned its verdict, shortly after 5 o'clock. When she heard the verdict she said she was going to leave the gay life of the tenderloin and return to her home in Baltimore. Her sister, known as Broadway Flo, waited at her side, and said she, too, was going back to Baltimore.

KILLED HIS BROTHER-IN-LAW.

News received in Mobile from Fort Deposit, Ala., says:

In a fierce shotgun duel late Thursday night near Fort Deposit, C. H. Priestor shot and instantly killed his brother-in-law, J. W. Harris. Priestor is one of the best-known men in that place, and Harris was equally well known. The tragedy occurred at the home of Priestor, which is just outside of the city limits of Fort Deposit. Priestor did not shoot until Harris had discharged his gun twice at his brother-in-law. From the best sources of information, it seems that the trouble grew out of the mistreatment of Mrs. Harris by her husband. It is said that Harris had been drinking several days and had abused his wife. She left her home and sought the protection of Priestor, staying at his residence. Late Thursday evening, according to report, Harris took a shotgun and started for the residence of Priestor, saying that it was his purpose to kill Priestor too. Priestor, seeing Harris approaching the residence with his gun in hand, took a gun and went out to meet him. Harris discharged the gun twice at Priestor, but did not injure him. Then Priestor opened fire, and both men advanced on each other, both continuing to shoot. When they were within fifty yards of each other, Priestor fired deliberately at Harris and he fell over dead. A full load of birdshot struck him in the head. Priestor has not been arrested.

DA NVILLE SCHOOL TROUBLE.

A mass meeting of Danville citizens will be held next Monday night to take action regarding the tangle in the Board of Aldermen which prevented the opening of the public schools Monday last. Indications are that it will be some time before the schools are opened, and the citizens are indignant.

The board of school trustees asked for an appropriation of \$20,500 for school expenses, this amount including \$2,500 salary for the superintendent of schools. The aldermen, by a vote of 6 to 6, refused to adopt the report, some of them believing that the salary of the superintendent, who also receives \$575 from the State, is too large and should come up for action on its individual merits.
